Dear Participant:

The Trustees of the Truck Drivers and Helpers Local Union No. 355 Health and Welfare Fund and the Truck Drivers and Helpers Local 355 Retirement Pension Fund are pleased to announce a new participant benefit website, www.Teamsters355Benefits.org. This website was created to provide you with an effective way to access and manage your benefits.

The website will enable you to obtain basic benefit information about the Plans, review answers to frequently asked questions, retrieve forms and Plan documents, and access your personal benefit information such as your benefit elections, work history detail, and real-time eligibility status. Additionally, you will have the ability to communicate with the Benefit Office via email. You can also find helpful links regarding benefits provided by the Plans.

To register, follow the detailed instructions on the back of this letter. **Please note, only one Username and Password is permitted per email address.** If more than one person in your family requires website access, each person over the age of 18 must register with a unique email address to access their own Protected Health Information (PHI). Each person that creates their own Username and Password will not have their PHI available for viewing by any other user.

If you encounter any difficulty logging in, or if you have any questions regarding the participant benefit website, please contact the Benefit Office by phone at (443) 573-3632 or (866) 621-7974, or by email using the “Contact Us” button on the website homepage.

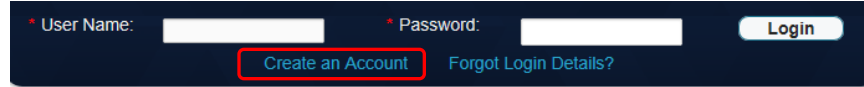

Visit the website soon and see all that it has to offer!

Sincerely,

The Boards of Trustees
